Rival
scripted: sends one invitation, in 1 of 4 styles
written by Gemini 2.5 Flash
Relay
passes the message on: raw, paraphrased, neutral or summarized
Qwen3-8B
Executor
the agent: decides before and after the message, then reports to its owner
Gemini 2.5 Flash or Qwen3-8B
the log
Monitor
reads one view of the log; says FLAG or CLEAR
Mistral Small 3.1 or Claude Haiku 5.5
self-report, yes/no answer
or reads only this
Gate + 4 readers (check only)
does each message still invite? never produces a measure
Gemini gate; Opus, Gemini Pro, Gemma, GPT
Owner
receives the agent's self-report
principal (no model)
Trace summarizer
neutral 80-word log entry; not told what to look for
Gemma-3-27B
